Abstract

Replace this with your abstract. A good abstract states the problem, what you did, and what you found — in that order, and without citations.

1. Introduction

Start here. Cite things like this [1].

2. Main results

Theorem 1. *State your main result here.*

Proof. Prove it here. □

Lemma 2. *A supporting lemma, referenced from Theorem* 1.

3. Conclusion

Say what it means.
