Curriculum Vitae

Personal Details

Priya Nair
14 Elm Grove
Bristol BS8 1AB, United Kingdom

Phone: +44 117 555 0142
E-Mail: priya.nair@example.com

Born 12 May 1994 in Leicester

Education

09/2012–06/2015	BSc in Mechanical Engineering, University of Bristol
09/2015–06/2017	MSc in Renewable Energy Systems, University of Edinburgh (Distinction). Thesis: Load forecasting for hybrid wind-solar microgrids

Internship

06/2014–08/2014	Rolls-Royce plc, Bristol (turbine test group); assisted with vibration analysis on compressor rig instrumentation

Professional Experience

09/2017–08/2020	Mott MacDonald, Bristol; design engineer in the renewables group Led structural design for two onshore wind farm foundation packages (combined 48 turbines) and supported grid-connection studies for a battery storage project
since 09/2020	Ørsted, London; senior engineer, offshore wind Responsible for foundation design coordination across a 900 MW offshore wind farm, working with contractors in the UK, Denmark and Germany

Languages

English (native), French (conversational)

IT

Software	ANSYS, SACS, MATLAB, Python, AutoCAD

Other	Eurocode structural design, offshore geotechnics

Interests

Sailing, competitive rowing, hillwalking

Other

since 03/2019	Chartered Engineer, Institution of Mechanical Engineers (IMechE)
since 01/2021	Volunteer STEM ambassador, Bristol schools outreach programme

Bristol, 27 August 2026
