Introduction

Why Metropolis

Metropolis is a clean, high-contrast Beamer theme built around three ideas:

- Minimal visual noise, maximum room for content
- A single accent colour used consistently for structure
- An optional progress bar so the audience always knows where they are

Results at a glance

Metric	Q1	Q2
Revenue ($k)	412	486
Active users	8,201	9,774
Churn	3.1%	2.4%

Table 1: Headline metrics for the first half of the year.

Discussion

Two-column layout

What went well

- Faster onboarding flow
- Lower support ticket volume
- Positive feedback on the new dashboard

What needs work

- Mobile conversion still lags desktop
- Two regions missing localisation
- Onboarding email open rate is flat
