Dear Sir or Madam,

I am writing to resign my membership of Bristol Rowing Club, effective at the end of the current quarter (30 September). I have valued my four years as a member, but a change in my work schedule now makes it impossible for me to attend regularly enough to justify continuing.

Could you confirm that no further direct debit payments will be taken after the September instalment, and let me know whether any outstanding balance or equipment deposit needs to be settled before my membership lapses. I still hold a boathouse key (#37) and will return it to the office in person before the end of the month.

Thank you for four enjoyable years on the water. I hope to rejoin as a social member once my schedule allows.

Yours faithfully,

Daniel Osei
